Aviva Stadium Community Fund Scheme

Annual Fund of 100,000

Funding is limited to groups within 1km radius of the Stadium

Applications can be made at any time but will be considered either in the period January-June or July-December

No project can receive more than 50% of the grant requested and must demonstrate that they can raise the rest of the funding

Projects proposals may be capital or revenue based

Aviva Stadium Community Fund Scheme

Grants will be awarded to Community/Voluntary Groups/Schools and other non-profit associations for project proposals of benefit to the local area

Applications must be made on the official application form

For more information log onto

<http://www.avivastadium.ie/stadium-info/community-grants-scheme>

Croke Park Community Fund

Fund is to support projects of benefit to a wide range of people in communities primarily within 1.5 Kilometres of Croke Park. 80% of the participants/beneficiaries must be usually resident within this catchment area.

Applications are only accepted from bona fide community/ resident/ voluntary or not for profit organisations that are based within the stadium's 1.5km catchment area

No project will be given 100% funding

Croke Park Community Fund

The intention is to support the widest number of suitable projects within the community area.

The fund is intended to create new community facilities but also to support services and community activities.

Applications for 2018 will open on Friday, 27 October 2017

Community Gain Grants Scheme

A Community Gain Fund has been established in accordance with statutory approvals obtained for the Waste to Energy project. The fund will be administered by the Community Gain Liaison Committee

The aim of the fund is to provide financial assistance to community based clubs/groups, voluntary organisations, schools/colleges and businesses for the development of community, educational, recreational, environmental and local heritage projects and works which will benefit the neighboring communities of **Irishtown, Ringsend and Sandymount.**

Community Gain Grants Scheme

More than €10 million has been allocated to date, with an additional annual contribution of €600,000 based on the annual throughput of waste in future years.

The www.dublinwastetoenergy.ie/cglc website is regularly updated with the latest Community Gain Liaison Committee announcements

Dublin Bus Community Spirit Awards

The Community Spirit Awards help to support the development of new projects, grow services and help raise community spirit in the local community.

To apply, entrants must complete an application form, which includes a proposal with details about their organisation and the project which they wish to have funded.

Each application is judged independently and successful groups will be awarded grants of €5,000, €2,000 or €1,000.

Dublin Bus Community Spirit Awards

Voluntary groups who work in the following areas can apply to the Community Spirit Awards:

1. Children and Youth
2. Sport
3. People with Disabilities
4. Older People
5. Environment and Local Community
6. Education e.g. alcohol, drugs, literacy or health

Communities Integration Fund

The Communities Integration Fund will fund actions by community organisations to promote integration in their local communities.

A total amount of €500,000 will be made available to local community based groups to promote integration in their area e.g. local sporting clubs, faith-based groups, theatrical and cultural organisations.

Grants/funding may be provided up to a maximum of €5,000 depending on the size and nature of the project.

Communities Integration Fund

Activities may include, for example:

- activities aimed at introducing newly arrived migrants to the community
- measures to encourage migrant participation in local civil and cultural activities
- measures to encourage involvement in local clubs and groups
- measures to link migrants with opportunities in the community (including employment)

North East Inner City – Community Grant Scheme 2017

Once off funding of 100,000 from the Department of Rural and Community Development

The Scheme is intended to fund projects / proposals to take place in the immediate to short term i.e. by end 2017 or early 2018.

This fund is open to established groups and organisations working in a community based capacity in the NEIC and must be able to demonstrate a capability to deliver measurable benefits to the local communities in the defined North East Inner City area

North East Inner City – Community Grant Scheme 2017

Priority will be given to applications that clearly demonstrate a link to achievement of actions and recommendations contained in the Mulvey Report *“Dublin North East Inner City – Creating a brighter future.”* particularly in promotion of themes of local participation, integration and education.

Grants may be awarded for a broad range of proposals e.g. for one-off community projects, environmental improvements, community social events and festivals, provision of equipment etc.

The application process closes Wednesday 1st November 2017 (4pm)

Dublin City Community Facilities Scheme

The Dublin City Community Facilities Scheme provides small-scale capital grants to community and voluntary groups or organisations. The scheme in Dublin City is administered by the Dublin City Local Community Development Committee (LCDC) and Dublin City Council. Following an application process in 2017, almost 70 groups were awarded funding for capital projects.

Details of how to apply for funding under the Community Facilities Scheme for 2018 will be available in due course at

www.dublincity.ie/lcdc

St. Patrick's Cathedral Community Grants Scheme

The Cathedral operates a grant scheme to support charities, voluntary and community groups in realising their projects.

Each year monies from offertories, collections and other donations are distributed to charitable groups working to address areas of need in our communities.

The Cathedral plans to award a number of grants up to a maximum of €5,000.

For more information, contact Community Officer Kelley Bermingham at community@stpatickscathedral.ie

Impact Small Grants Scheme

Open to all groups in Dublin North East Inner City

Maximum Grant €1,000

Fund supports local initiatives in the areas of education and intercultural development

The closing date for applications is April each year

For more information email aleonard@impact.ie

St. Stephen's Green Trust

St Stephen's Green Trust is a grant giving charitable organisation which operates a range of grant programmes on the island of Ireland.

The grant programmes seek to effect social change in a range of areas which have been identified as both critical and hard to fund

The Trust provides small-scale strategic funding and other supports to organisations trying to respond to these areas of critical need.

Community Based CCTV

The community based CCTV scheme is intended to support local communities who wish to install and maintain CCTV security systems in their area, with the aim of increasing public safety and to deter illegal or anti-social behaviour.

It is intended that the Scheme will run for 3 years with funding of €1 million being made available each year (Started 2017)

It is designed to provide financial assistance to qualifying local organisations towards meeting the capital costs associated with the establishment of local community CCTV systems.

Community Based CCTV

The maximum grant available is €40,000. Within this limit, grants of up to 60% of the total capital costs of the system may be awarded.

The decision of the Minister is final in relation to all applications under the Scheme

Consideration will only be given to applications that fully comply with the eligibility criteria and full details are available at

<http://www.justice.ie/en/JELR/Pages/Community-Based-CCTV>
